- Group KAL's offered for each pattern!

Cost:

Retail cost of the club totals \$475. We are offering the club at:

\$420 for the entire year (additional shipping charges for International subscriptions other than Canada will apply.) This is an average of \$70/every other month.

Please note: If you are a 2011 Sock Club member, you will receive an extra 5% off this club price, which will come to \$399 for the entire year. This is a one year club membership, so you must commit to an entire year if you sign up,

OR

If you pay "up front" for this club with a check/money order, you will receive 5% off the original club price of \$420.

If you choose either of these options your cost of the club comes to \$66.50/every other month.

You also have the choice of signing up for just those kits you want to receive – it is not required that you sign up for each and every kit or for the entire club. The price of each individual kit is listed

Payment:

There are several payment options for this club:

Option 1: You can pay "up front" for the entire club (details outlined above). You can do this either via check/money order (and receive the discount) or via credit card or paypal. If you choose to pay for the club "up front" the due date will be January 1, 2011.

Option 2: You can pay for the entire club in 2 equal payments – one due on January 1, 2011 and the second payment due on June 1, 2011. Please note that if you do choose this option and you do opt to pay via check/money order, you will also receive the 5% discount on the club total.

Option 3: If you sign up for the entire club and do not wish to pay "up front", we do ask that you pay for 2 shipments at a time (for example, the payments for the February and April shipments would be due on January 1, etc).

The entire cost of the club has been split up into 3 equal payments (even though the cost of each individual shipment will vary due to yarn types and the yardage required for each pattern), so the payment dates are as follows:

- January 2011 (for Feb and April shipments) - \$140
- April 2011 (for June and August shipments) - \$140
- August 2011 (for October and December shipments) - \$140

If you choose to only sign up for three of the shipments out of the six, for example, we still require you to pay "up front" for two shipments at a time. The first 2 payments will be due on January 1st, regardless of when the shipments are scheduled.

We also ask that if you sign up for the club, you commit to the club and making all payments that are due when they are due.
