

Take your sock knitting to the next level with the 2010 Woolgirl Sock Club! Six talented dyers come together with six amazing designers to create a wonderful sock club unlike any other!

What's included in each shipment:

-  1 skein of sock yarn from a surprise Indie dyer in a special colorway designed exclusively for the Woolgirl Sock Club. Some of the months will offer fingering weight – some will offer a choice of either fingering or sport!
-  1 pattern designed by a sock designer specifically for the yarn.
-  Most club shipments will even include an alternate pattern in addition to the sock pattern – we try to give as many pattern ideas as possible for your sock yarn!
-  1 stitch marker to compliment the yarn, theme, and pattern design.
-  Unique accessories which will accentuate the yarn, pattern and theme. In 2009 we included lots of neat extras, including a Fibersphere, several sock knitting accessory bags, a Woolgirl Sock Club tote, a Namaste buddy case, needles, and much more! This year you can expect nothing less!
-  Pretty packaging! Yes, we pride ourselves on our packaging here at Woolgirl, so each package you receive will be prepared with the utmost care and love. We are known to include lots of little extras in our kits, so get ready for lots of surprises this year!
